INSTRUCTIONS FOR THIS BOOKLET

For you to record your daily catch in. It should stay  
camp. You can take the other small booklet with you  
to help you remember when you fill in this book.

at the top of each page.

any other important comments that you have about  
on that day.

ing with one or more other hunters make sure that each  
written down in only one booklet.

out a page for every day that you have nets out,  
check them each day. When you check your nets  
of fish on that day only.

- 1- Put out two nets. Mark them down in the book.
- 2- Left the two nets out but didn't check them.  
Mark them down in the book.
- 3- Checked the two nets and got ten fish. Mark  
down number of fish and nets in the book.

animals or fish should be added to the main hunter's  
household's catch is complete for each day.

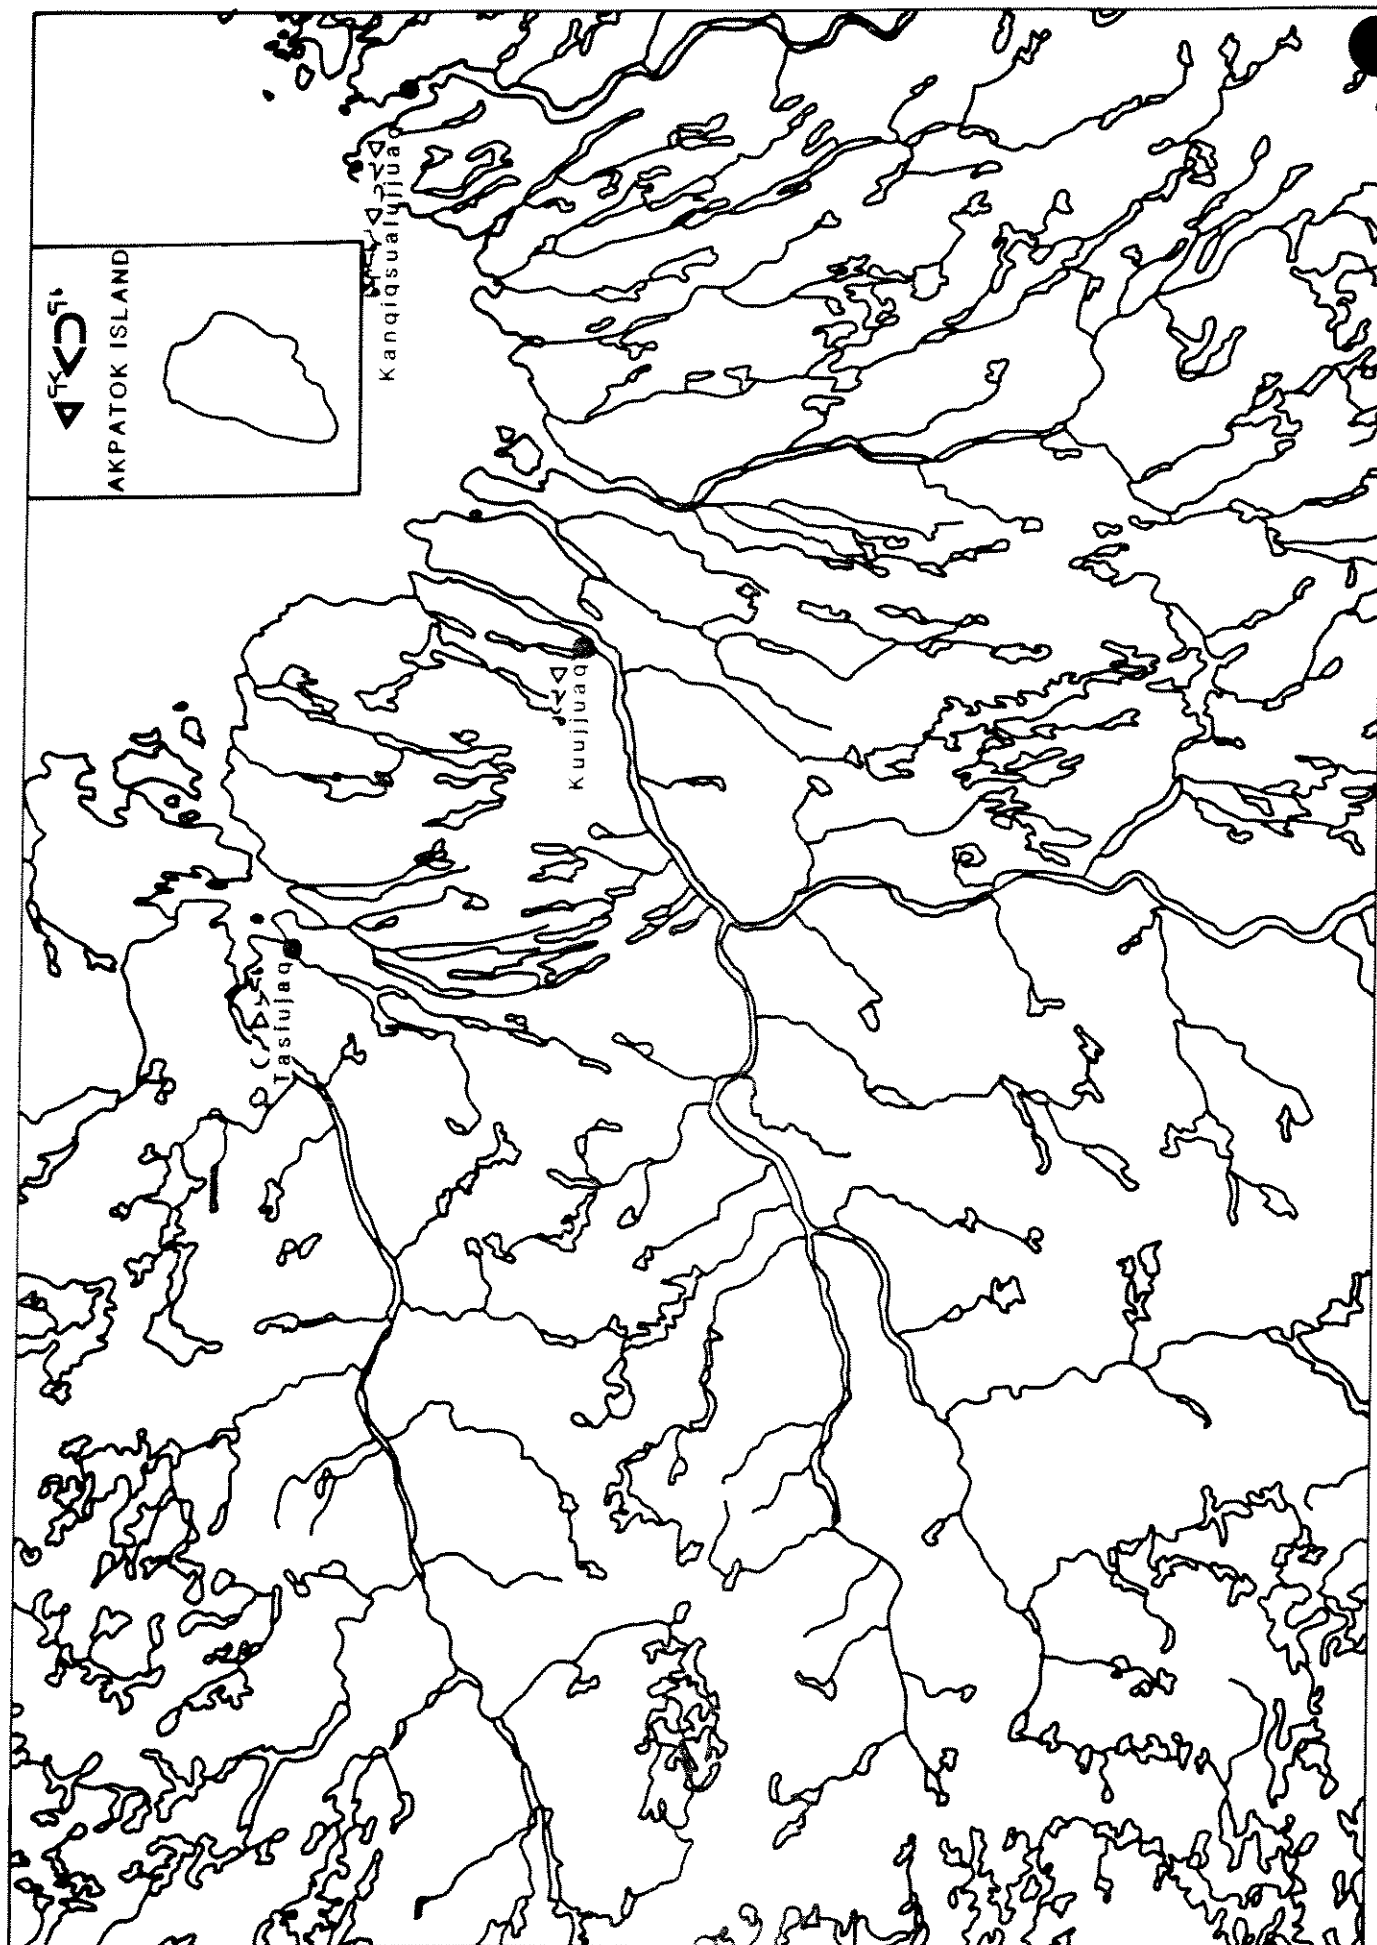

all the pages of this booklet, then ask your  
another one.

Questions about the study ask your community worker.  
over them they will get in touch with Naalak  
juuaq.

ld be reported: eg. This includes fish that have  
by gulls and then thrown away, seals that have  
retrieved, caribou that have been shot, but

This is an example of how the pages should be filled in.
